

MALIBU/14

FIND NEW ROADS™

WHY JUST GO FROM A TO B

WHEN IMAGINATION CAN TAKE YOU EVERYWHERE

The road. A simple path, really. And yet it's come to mean so much more. Perhaps the real reason roads are special is that every road leads us to someplace we're not – but could be. At Chevrolet, roads are our springboards. They challenge us, taunt us and guide us to create better, more exciting, more ingenious ways to move through life. Roads drive us to places we've never been before. And we'll never stop seeking out new ones.

Information Provided by:

MALIBU

MIDSIZE EVOLVED In your search for a premium midsize sedan, expect excellence. The 2014 Malibu rewards you with a solid, connected-to-the-road feel and assertive styling that commands attention. With remarkable fuel efficiency,¹ a spacious interior and intuitive technology, Malibu is a compelling marriage of style and engineering.

¹ EPA-estimated MPG (city/highway): Malibu with 2.5L engine 25/36; 2.0L engine 21/30.

Information Provided by

Malibu LTZ in White Diamond
Tricoat (extra-cost color)
with available features.

Malibu LTZ in Black Granite Metallic (extra-cost color) with available features.

SMOOTH STYLE The 2014 Malibu has an athletic appearance that commands attention. And these sculpted lines are as functional as they are stunning. The new chrome-accented grille with available hidden passive blockers helps reduce wind resistance. The aerodynamic shape guides the air to help optimize fuel efficiency.¹ Available projector-beam headlamps flow seamlessly. Even the side mirrors have been shaped and tested for peak aerodynamic performance.

IMPRESSIVE PROTECTION ALL AROUND YOU

Ultra-high-strength steel is used throughout for a structure designed to be exceptionally strong and rigid. In the event of a collision, this high-strength steel with integral crush zones helps channel energy away from the passenger compartment. Plus, every Malibu is equipped with 10 standard air bags² — even knee air bags for the driver and front passenger.

¹ EPA-estimated MPG (city/highway): Malibu with 2.5L engine 25/36; 2.0L engine 21/30. ² Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and the child safety seat instructions for more safety information.

ALL THE RIGHT TOUCHES

Malibu LTZ interior in Cocoa/
Light Neutral (extra-cost
color) with available features.

DOWN TO THE FINEST DETAIL The important moments of your day are centered here. With a keen focus on details, refined surfacing, premium textures and rich appointments, Malibu sets a high standard. Liquid-applied sound deadeners and triple door seals provide a superb level of quietness. Low-gloss surfacing and soft-touch tactility add to this upscale environment. The sophisticated dual-cockpit design and sport-sculpted seats almost seem customized to you. In every way, this is what a midsize sedan should be.

PREMIUM PRACTICALITY, ENDLESS POSSIBILITIES

The unexpected details surround you. Precise instrumentation keeps you informed. Smart storage areas abound. Steering wheel-mounted controls are a thoughtful touch.

STYLISH ACCENTS Ice-blue ambient lighting sets an elegant tone. A power sunroof is available. Malibu has all the right touches to make driving more entertaining.

STRONG CONNECTIONS Available Chevrolet MyLink¹ keeps you engaged with the road and your world. Stay connected with life outside these doors – entertainment, music and your smartphone are a voice command or a touch control away. Malibu ensures you're good to go.

¹ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

with available features.

VERSATILITY IS HUGE The interior alone makes a big statement with spacious accommodations for five. Front seatbacks have been shaped to provide more room for rear-seat passengers. Sculpted cushions allow for deeper seats and a planted feel. A 60/40 split-folding rear seat provides added versatility. The decklid opens to reveal a large and deep trunk with a low lift-over height for easy loading and unloading.

CONVENIENCE THROUGHOUT Malibu features an easily accessible hidden storage area behind the available 7-inch diagonal color touch-screen. You can also organize the icons on the screen to best fit your needs. The available 110-volt AC power outlet keeps your portable devices charged and ready. The center console includes a pair of cup holders, an armrest and dedicated pockets for two cell phones.

Convenient hidden storage
area behind the touch-screen.

Cell phone holder.

Malibu LTZ in Black Granite Metallic (extra-cost color) with available features.

POISED PERFORMANCE Choose from two powerful, fuel-efficient engines¹ – a new ECOTEC® 2.5L or an available turbocharged ECOTEC 2.0L. Both feature the engineering advancements of Direct Injection and Variable Valve Timing. Direct Injection helps provide more complete combustion of fuel, which improves economy and power and helps lower emissions. Variable Valve Timing enhances low-end torque for a powerful driving experience. So no matter which engine you choose, you'll enjoy great fuel economy.

ECOTEC 2.0L TURBOCHARGED ENGINE The exhilaration of V6 power, packed into a fuel-efficient 4-cylinder. This available 259-horsepower turbocharged engine has a segment-leading 295 lb.-ft. of torque – better than even 6-cylinder competitors. It's all the fun without extra fill-ups, thanks to 30 MPG on the highway!

CHEVROLET 2-YEAR SCHEDULED MAINTENANCE PROGRAM

Chevrolet 2-Year Scheduled Maintenance Coverage² is included with the purchase or lease of a new 2014 Chevrolet Malibu. This fully transferable program is in addition to the Malibu standard:

- 5-year/100,000-mile³ Powertrain Limited Warranty
- 5-year/100,000-mile³ Roadside Assistance Program
- 5-year/100,000-mile³ Courtesy Transportation Program
- 3-year/36,000-mile³ Bumper-to-Bumper Limited Warranty

¹ EPA-estimated MPG (city/highway): Malibu with 2.5L engine 25/36; 2.0L engine 21/30. ² Covers only scheduled oil changes with filter and tire rotations according to your new vehicle's recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details. ³ Whichever comes first. See dealer for details.

36 *MPG HIGHWAY*¹

NEW ECOTEC 2.5L ENGINE WITH STOP/START TECHNOLOGY

Malibu offers 36 MPG on the highway¹ and it all starts at the heart of this 4-cylinder. Refined and efficient, this engine packs a 196-horsepower punch and is designed to help you save gas. Here's how: With new stop/start technology, stopping is what keeps you going. The engine automatically shuts off when the car is stopped and prepares it for a smooth, seamless start when the brake pedal is released. So smooth, you won't even notice the transition. Smart. And just another way Malibu delivers precise engineering.

VARIABLE VALVE LIFT

Simply put, Malibu has the power you want and knows when you need it most. In low-lift mode, the engine pumps only the air it needs to meet the driver's demand. This allows for greater performance at lower speeds, and offers excellent fuel economy.¹ The system automatically switches to high-lift mode at higher speeds or under heavy loads, providing the full output capability for the engine. 2014 Malibu: practical power that's smart from the start.

Malibu LTZ in White Diamond Tricoat (extra-cost color) with available features.

¹ EPA-estimated MPG (city/highway): Malibu with 2.5L engine 25/36.

QUIET STRENGTH

Malibu LTZ in Crystal Red Tintcoat (extra-cost color) with available features.

SUPERIOR SMOOTHNESS Malibu moves with solid confidence, thanks to fine-tuned suspension and chassis engineering. The stiff body structure, wide stance and fully independent suspension deliver nimble, poised handling.

MANEUVER WITH PRECISION Electric rack-and-pinion steering contributes to the crisp response and excellent on-center feel. The system determines the level of power assistance needed, making parking easier and high-speed steering firmer.

STABILITRAK HELPS YOU STAY THE COURSE Every Malibu is equipped with the StabiliTrak® Electronic Stability Control System to help assist you with directional control of the vehicle in difficult driving conditions. Sensors continually monitor the difference between the path being steered and the direction the vehicle is actually traveling. If StabiliTrak detects a difference, it selectively applies brake pressure to the appropriate wheel to help you get the vehicle back on track.

LONG-LASTING STOPPING POWER The confidence of a 4-wheel antilock disc brake system is standard on every Malibu. Innovative Duralife™ brake rotors have been hardened with a special patented process to provide reliable stopping power, resulting in rotors that can last up to twice as long as conventional rotors. The integrated brake system is designed to help you maintain control by preventing wheel lockup and assists with stopping or decreasing vehicle speed.

INTUITIVE TECHNOLOGY

Malibu LTZ interior in Jet Black.

TUNED IN TO YOU Stay connected to your world, even when you're on the go. Available Chevrolet MyLink¹ works with your compatible smartphone and Bluetooth[®] wireless technology² to stream content to the 7-inch diagonal color touch-screen. Chevrolet MyLink¹ allows you to make phone calls, select radio stations, choose music from your mobile device, and listen to Pandora[®] Internet Radio or Stitcher SmartRadio^{™3} through voice command, touch-screen controls, center stack buttons and steering wheel-mounted controls. SiriusXM Satellite Radio⁴ lets you enjoy over 140 channels of commercial-free music,

sports, talk and news with a 3-month trial. You can also connect your music-loaded flash drive or MP3 player through the USB port.⁵

NEXT-LEVEL NAVIGATION With OnStar[®] Turn-by-Turn Navigation⁶ standard for six months, you can receive directions through an on-screen display and the guidance of an automated voice. Step it up another notch with the available enhanced Chevrolet MyLink¹ Radio with Navigation, which includes full navigation features as well as 2-D/3-D maps, points of interest and a 3-month trial of SiriusXM NavTraffic.⁴

KEYLESS ACCESS WITH MOBILE APPS The search for your key fob is over. Chevrolet offers available OnStar RemoteLink Key Fob Services⁷ on OnStar-equipped 2014 vehicles. Just download the OnStar RemoteLink^{®8} mobile app to lock or unlock your vehicle and start your car⁹ from almost anywhere you have cell service. It can even help you find your car by sounding the horn or flashing the lights in a crowded or dark parking lot.

Available Push-Button Start system.

Available OnStar RemoteLink[®] mobile app.

¹ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ² Go to gmttotalconnect.com to find out which phones are compatible with the vehicle. ³ Data plan rates apply. ⁴ Not available on LS. If you subscribe after your trial period, service will automatically renew and bill at then-current rates until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. For more information about NavTraffic, visit siriusxm.com/navtraffic. XM satellite service is available only in the 48 contiguous United States and D.C. ⁵ Not compatible with all devices. ⁶ Visit onstar.com for coverage map, details and system limitations. ⁷ Access is available for 5 years from the date of vehicle delivery and is transferable. Does not include any emergency services or other OnStar services. To cancel RemoteLink Key Fob Services or if your vehicle is sold, it is important to contact an OnStar Advisor. See onstar.com/mobile for full details. ⁸ Available on select Apple, Android, BlackBerry and Windows devices. Services vary by device, vehicle and conditions. Requires active OnStar subscription, which is standard for six months. ⁹ Requires factory-installed remote start.

SURROUNDED BY SAFETY

PROTECTIVE, INSTINCTIVE TECHNOLOGIES Advanced technology instinctively reacts when you need it most. New available Side Blind Zone Alert¹ uses sensors to let you know when a trailing vehicle enters your blind spot on either side. Available Rear Cross Traffic Alert, new for 2014, notifies the driver to crossing traffic from behind while the vehicle is in Reverse. The available rear vision camera helps with more confident backups.

THE SECURITY OF ONSTAR In many crashes, built-in sensors can automatically alert an OnStar Advisor, who is immediately connected into your Malibu to see if you need help. Even if you can't respond, an OnStar Advisor can use GPS technology to pinpoint your exact location and request that emergency help be sent right away. OnStar is standard for six months and includes Automatic Crash Response.²

Malibu LTZ in White Diamond Tricoat (extra-cost color).

¹ Before making a lane change, always check the Side Blind Zone Alert display, check the side and inside rearview mirrors, look over your shoulder for vehicles and hazards, and start the turn signal. ² Visit onstar.com for details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

WARRANTY INFORMATION

100,000-MILE/5-YEAR TRANSFERABLE POWERTRAIN LIMITED WARRANTY.

Every 2014 Chevrolet passenger car, light-duty truck, SUV and crossover comes with a 100,000-mile/5-year (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 100,000 miles/5 years (whichever comes first) of the 24/7 Roadside Assistance Program, the Courtesy Transportation Program, and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY.

GM vehicles registered in the USA are covered for 36,000 miles/3 years (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 100,000 miles/6 years (whichever comes first). See dealer for details.

IMPORTANT INFORMATION

ENGINES. Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4.ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid-Car Sedan segment and latest available competitive information. Excludes other GM vehicles.

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM).

Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

CHEVROLET 2-YEAR SCHEDULED MAINTENANCE PROGRAM.

Every new 2014 Chevrolet Malibu comes with 2 years/24,000 miles of scheduled maintenance that includes oil and filter changes, tire rotations and multipoint vehicle inspections. Covers only scheduled oil changes with filter and tire rotations according to your new vehicle's recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details.

SPARE TIRE INFORMATION. There is no standard jack or spare tire in the 2014 Chevrolet Malibu LS or 1LT. Your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a one-quarter-inch puncture in the tread area of the tire. After using the tire inflator kit, it is recommended that you take the tire to an authorized retailer for inspection and repair as soon as possible, but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than one-quarter inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire and for one time before its expiration date.

FLEET ORDERS. Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE. Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order.
